Quest Opportunities to Serve God & Others

Romans 12:4-5

*Just as our bodies have many parts and each part has its own work to do, so it is with Christ's body. We are all parts of his one body, and each of us has different work to do. **And since we are all one body in Christ, we belong to each other, and each of us needs all the others.***

1 Peter 4:10-11

*Each of you has received a gift to use to serve others. **Be good servants of God's various gifts of grace.***

At The Quest, service makes the difference!

Our amazing team of partners and regular attenders give generous gifts of their time and talents to God and others. That makes our church great. You would be surprised at what volunteers do around the church each week – from singing to cleaning, teaching to pulling weeds, and just about everything in between. Each worship gathering we hold requires a team of at least 75 volunteers and we currently hold 3 worship gatherings each Sunday morning. No matter what your interests or gifts, there is a place where you can make a real difference by sharing your life and love with others at The Quest.

Serving on a Quest team honors God and builds a healthy church as well as being a great way to meet people, build friendships and have a blast!

Make a big difference with just a little time.

There are many different opportunities to serve at The Quest. Some positions require as little as 30 minutes per week. Our schedule of 2 worship gatherings each Sunday morning not only helps us reach our community by offering multiple worship times, but it also makes it easier to... **WORK ONE, WORSHIP ONE.**

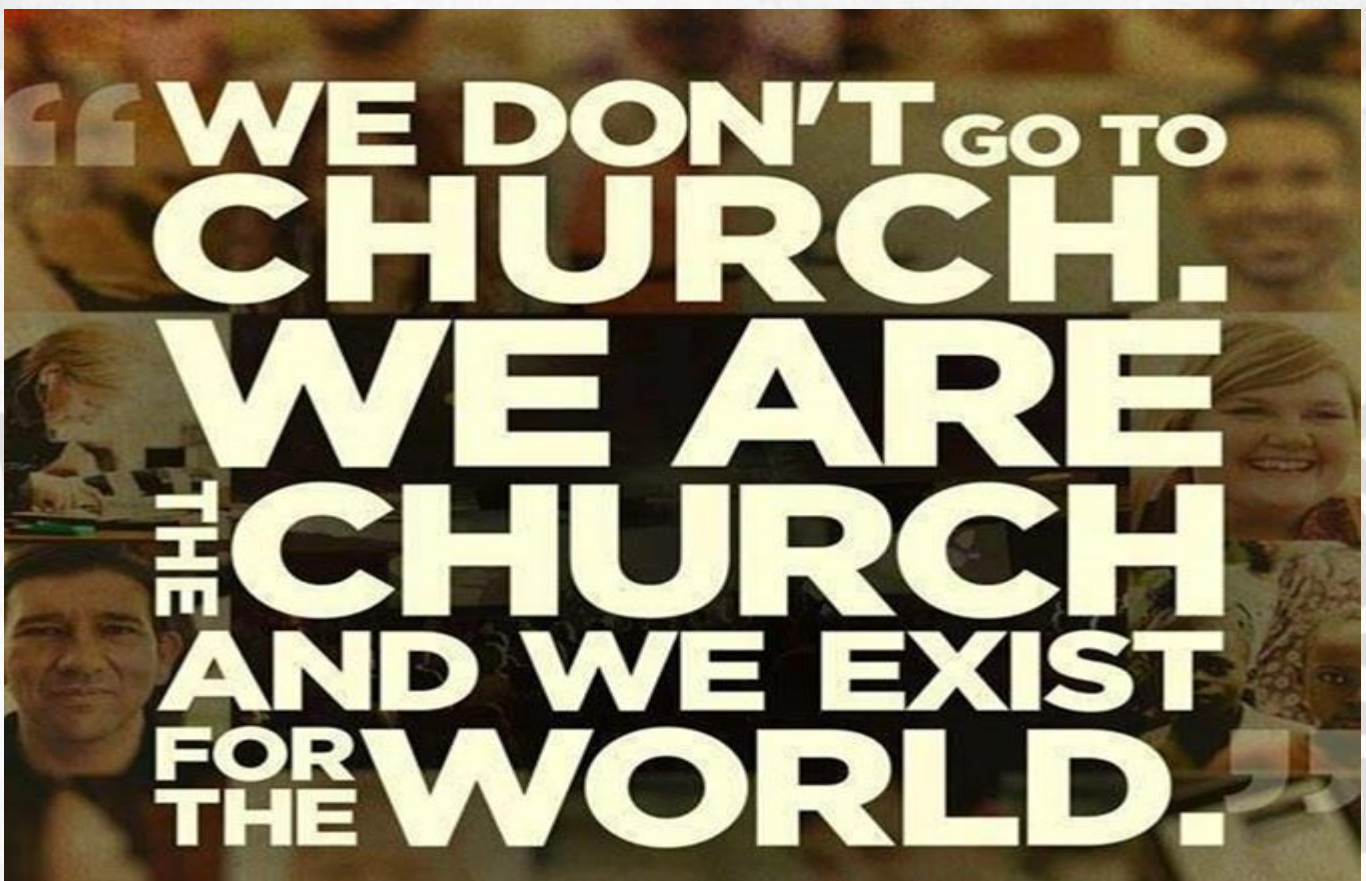

Almost all of our teams offer a schedule that allows you to serve others during one worship gathering and then worship with others in the next gathering or vice-versa (worship then serve). You can experience the joy and fulfillment of making a difference by serving others and also have your spiritual tank filled in a worship gathering each week.

The following pages provide a brief description of our primary volunteer positions. Each of these roles plays a critical function in helping us fulfill our mission of *“proclaiming the Good News and offering healing for life's hurts.”*

Take some time to look over all the opportunities and see which one(s) interest you the most. You are welcome to try as many as you like as you seek the one that best fits your available time, gifts, abilities and heart. Many people choose to serve in multiple areas and that's just fine. We have several positions that allow you to serve and worship in the same gathering.

GET CONNECTED

It's easy to get plugged in at The Quest. We have an Equipping Pastor, Connections Pastors and Team Leaders who will help you get started and equip you as you serve. Don't worry we'll never lock you in a room full of toddlers and expect you to fight your way to freedom! Feel free to speak directly with the Connections Pastor of the gathering you attend about getting connected as a Quest team member or contact Equipping Pastor, JJ Williams (jj@thequestrc.com).
